

Shed Opening Times

Wynnum Redlands Canoe Club Inc

PO Box 277
WYNNUM Q 4178

The shed is opened at various times by members every week. Some of these members have coaching skills while others do not. Below is a table outlining these opening times and the person who has volunteered to undertake this job. **There may be occasions when the shed does not open due to unforeseen circumstances.** Every effort is taken to find a replacement should the usual volunteer be unavailable. Please note it is your responsibility to fit in with these volunteers not visa versa. Please ensure if you use one of our boats that you contribute (\$2.00) to the "Boat Fees" donation box just inside the shed to the right. This contribution allows us to keep the craft on the water for our members to use.

Please also assist where you can by helping in the setting up of the wash down area and also the cleaning up of this area. Nobody is paid to do any of the jobs at the club; in fact, all the people doing the jobs pay the same club fees as you do.

Some sessions are for a specified **and strictly limited period** only but others (recreational) depend on the energy & time constraints of the group but always confirm with the member opening the shed.

EVERY MEMBER IS WELCOME TO ATTEND ANY OF THE SESSIONS LISTED BELOW

1. **Most** sessions the shed is **OPEN ONLY** to get boats out & then to store them; this means, if you arrive late, the gates will be locked and you are out of luck; Saturday morning is usually the only time the shed is open for the whole period.
2. For most sessions there is no specific need for you to get in touch with the Contact Person; but if it is your first time, ring beforehand to make sure nothing has changed. Otherwise, if you want to paddle, just be there ON TIME. If you then choose to paddle on your own **BE BACK ON TIME.**
3. For any Club session you **CANNOT** book your favourite boat; if you arrive and your favourite boat is in use, consider it an opportunity for you to expand your paddling experience by using a different boat.

If you are NOT paddling with the group, then always ensure you are back, your boat cleaned and ready to be stored by the stated time.

Our members rarely have time to spare to wait for late returners.

All times are subject to change during Public and school holidays and the shed is rarely open in adverse weather.

ALWAYS ENTER YOUR PADDLING PLANS IN THE BOOK IN THE BOX OUTSIDE THE SHED.

This is **PARTICULARLY** important if you are paddling separate from the main group.

If you get into difficulties no one will know to start a search for you if your details are not entered.

| Day of the Week | Time | Contact Person | Phone No. | Email or mobile |
